16 TRAINING LEVELS AT LOW AND HIGH RANGE – TONE ONLY AND “+2 BOOST”

The PetSafe Small Dog Trainer offers flexibility with 8 levels of “Low Stim” and “High Stim” which totals 16 different levels to fit your dog’s personality and temperament.

It also features a Tone Only setting which can be used as an attention getter or a reward when training.

+2 BOOST FOR ADDITIONAL DISTRACTION

Instant increase for instant control. The +2 Boost Button on the Small Dog Training Collar is a feature that delivers a stimulation, 2 levels higher than your current setting. This is best used for stopping or distracting your dog from getting into dramas.

FULLY WATERPROOF RECEIVER COLLAR FOR WATER LOVING DOGS

The Small Dog Training Collar from PetSafe features a waterproof dog collar for excursions to the beach or the park.

BEST FOR SMALL TO LARGE DOGS – UP TO 56CM NECK SIZES

The PetSafe Small Dog Training Collar - great for younger or smaller dogs with neck sizes of up to 56cm. The collar weighs only 64g so it should be comfortable for a puppy that’s ready for training.

REPLACEABLE LITHIUM BATTERY

The PetSafe Small Dog Training Collar uses a CR2032 button battery. That way, you won’t need to stop training when your battery is running low. Simple pop off the old ones and replace them with new ones. It’s easy to replace and pretty cheap to get.

UP TO 100M RANGE FOR PARKS AND RECREATIONAL AREAS

Best when used for domestic dog training when at the local park or around the house.

3 YEAR MANUFACTURER’S WARRANTY

The PetSafe Small Dog Trainer is covered by a manufacturer’s warranty for 3 years to protect your investment.
