### 6 AUTOMATIC INCREASING STIMULATION LEVELS

The Barking Dog Training Collar is prepared with 6 levels of progressive static stimulations that are perfect for training your dog. It starts from the lowest level and automatically increases the levels as your dog barks continuously. With the automatic safety feature that will reset after 30 seconds if no barks detected from your dog, make you at ease in using this collar.

### ACTIVATED BY YOUR DOG'S BARK ONLY – VIBRATION

This feature ensures that no false correction for your pet. Because this Barking Dog Training Collar will only be activated from the vibration detected from your dog when it barks with the use of the vibration sensor. It is specifically designed to have the sensor touch the vocal cord of your pet for accurate detection of the barks from your dog.

### FULLY SUBMERSIBLE IN WATER OR LIQUID

A complete waterproof casing will give you peace of mind about any risk of damage to the Barking Dog Training Collar. No more worries for water incidents like playing in the rain outside or at the pool.

### RUBBER COATED PROTECTION – NO UNNECESSARY ACTIVATIONS

For consistent and effective training with no unwanted activations, a protective rubber coating is used in this Bark Dog Training Collar. You can be guaranteed that the training will surely be a success for you and for your dog.

### BEEP SOUND TRAINING INDICATOR

An additional feature for easier training with your dog is the beep sound coming from the collar. An audible tone can be heard for each static correction and with the appropriate training and consistency; it will eliminate the nuisance barks.

### 2-4 MONTHS BATTERY LIFE - REPLACEABLE

You get an easy to install replaceable battery that lasts up to 2-4 months depending on how the dog often to bark. You can rest assure that you will have consistent training with your dog. And each battery includes new "O" rings to keep it water proof.

### THREE YEAR MANUFACTURER'S WARRANTY

This Barking Dog Training Collar is being covered by the manufacturer warranty for 3 years. The warranty will take care of any factory related malfunctions.
