3 LEVELS OF CORRECTION – PROGRESSIVE STIMULATIONS

The Canicalm Ultrasonic and Vibration Bark control collar can be change into 3 stimulation levels in training your dog in reducing the nuisance barking. With your guidance and right selection of stimulations either be Vibration only, Ultrasonic sound only, or Vibration + Ultrasonic sound, it will surely be a successful training.

CHANGEABLE BARK DETECTION SENSITIVITY

Flexible bark sensitivity setting is a good feature that Num'axes Canicalm Sonic Bark control collar is offering. You can choose from low, medium or high bark sensitivity. Depend on the intensity level of training to match the character of your dog.

RECOGNIZE YOUR DOG'S BARK - VIBRATION ACTIVATED

The unique feature of Canicalm Ultrasonic Bark Collar is the vibration sensor activation. The device will only be activated by the barking of your dog and nothing else. You can be confident that no over correction will happen during the training of your dog.

EASY ACCESS TO POWER AND STIMULATION MODE SELECTIONS

No accidental changes of settings or power on/off of this Sonic Bark Collar because you will need to use a magnetic key to access the control.

AUTO RESTART SAFETY MODE

We always think about the positive and safety training for your dogs, so the Canicalm Sonic will shut down for 15 seconds before restarting by itself if the collar gets activated for 5 quick successions.

REPLACEABLE DURABLE LITHIUM BATTERY

If used on a daily basis of 12 hours and with 24 triggers a day, it will last for 90 days. This battery uses power of 1.3 V CR2450 Lithium that is heavy duty and can last long. So it will be a great saving both for money and effort.

ADJUSTABLE STRAP FOR MEDIUM TO LARGE DOGS

The Canicalm Sonic Bark Collar strap has the length of 64cm and width of 20mm that is comfortable fit for the neck sizes from 17cm to 55cm that is safe to use for your pets that are hyper active.

NUM'AXES 2 YEAR WARRANTY

Sonic Anti Bark collar is covered by a 2 year warranty to guarantee best quality product for your dogs.
