

WIRE Calculator

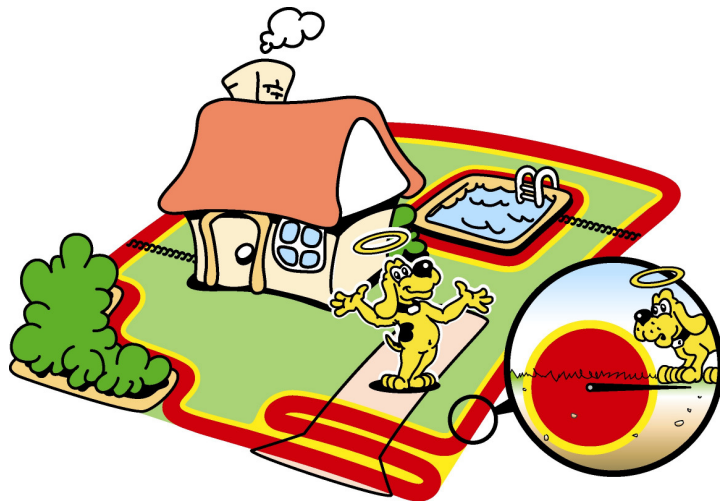

Calculate your wire requirements.

One roll of 100metres of wire is included in each kit.
Domestic properties usually require one extra roll.

These requirements are estimates as the requirements for wire may differ.

Note - If you purchase an additional roll of wire it can be returned if not used. We recommend taking an extra 100mtr roll as you need to allow for the distance from the shed to the fence.

Area of Block in ACRES	Perimeter in METRES	Extra Rolls to Purchase
.1/4 (1000 Sqm)	140 needs 200	1
.1/2	180 needs 200	1
.3/4	260 needs 300	2
1	280	2
1.5	320	3
2	360	3
2.5	400	3
3	500	4
4	500	4
5	600 or 700	5 or 6
6	700	6
7	700	6
8	800	7
9	800	7
10	805	8
12	900	8
15	1000	9
17	1100	10
20	1200	11
